## Rules & Information

### A) Have Fun

The *Mena Gaming Association* is meant to be fun... It is our most important rule... **SO DO IT!**

### B) Conduct & Respect

Be friendly, kind, and **ALWAYS** remain respectful! Never be a sore loser and/or a bad winner. This is an opportunity to make some new friends and learn some tips about games to help you out. the nicer you are, the more willing someone will be to let you in on their gaming secrets. we will permit very little cursing at *MGA* events and racist, sexual, sexist, prejudice, intolerance, or any other degrading or derogatory remarks directed at any gender, religion, or race, along with sexual harassment will **NOT** be tolerated, even in a "joking" manner! if you are told or asked to do something by a staff member, show them respect and **DO IT**. Don't question their authority. If you have a problem, come to a member of the Executive Board rather than arguing with the staff.

### C) Rulings & Warnings

The *Mena Gaming Association* staff will get stricter with each and every warning and can be reprimanded in multiple ways, including but not limited to:

- Being disqualified from the current Tournament or event.
- Being suspended from one or multiple future Events.
- or ultimately, being banned from **ALL FUTURE MGA EVENTS!**

The *MGA* staff reserve the right to interpret rules and define rulings to cover any and all circumstances and situations, and decide on the appropriate actions as fitting!

## Rules & Information

### 1) Talking

Absolutely **NO** talking to the participants/contestants while they are competing (excluding staff members). We don't mind talking between the participants/competitors, but if it holds up the competition/game, the staff can, and probably will request that all the talking stops except the conversation that is required for the game. **NEVER TELL ANY** statistics of one player to another, hint to any information about the competition/game, doing so will result in an instant suspension from the *MGA*. Once you are eliminated, you are welcome to stay and watch the rest of the competitions/games as long as you don't cause a problem or distract the other participants/contestants. You might even be re-entered into a tournament/event if we are short on participants or if someone leaves, so stick around! Always remain quiet and respectful of fellow competitors. There is A **DIFFERENCE** between **INSIDE** and **OUTSIDE** voices. Do **NOT** yell, even in frustration, as it is distracting, not only to other participants, but **ALSO** to *MGA* staff!

### 2) "If The Game Allows It,

**IT'S LEGAL!"** In-game "glitches," such as super jumps, hiding spots, or other strategic "glitches" are **PERFECTLY LEGAL!** "Screen Cheating," although very un-sportsmanlike, cannot be proven or stopped, and thus, although annoying, is allowed. Cheat codes are **ILLEGAL** in *MGA* Tournaments & Events!

### 3) Theft

If you are caught stealing **ANYTHING**, not only will the item(s) be returned, but the thief **WILL** be banned from further tournaments/events. Thieves will **NOT** be tolerated! If you are caught stealing **ANY** *MGA* property, such as games, controllers, or other equipment, we **WILL NOT** hesitate to call law enforcement officials. Due to the risk of theft, large bags will be requested to be left in a designated safe area. This is to guarantee nothing of yours is taken from your property, and nothing of anyone else's is added to it. (See Rule 4). If there is no designated safe area for any reason, large bags will be searched whenever a staff member sees fit. If a staff member does request a bag search, it is not because there is any discrimination against anyone.

### 4) MGA Equipment

There are **NO BAD CONTROLLERS!** All controllers work equally as well and there is **NO NOTICEABLE** delay on wireless controllers! Don't fight over controllers! Most controllers are owned/donated by or borrowed from the staff & participants, therefore, they are entitled to use their own controller if they wish to. Tampering with *MGA* equipment, such as intentionally pulling plugs or controllers, or any other attempts to possibly modify the outcome of a game is **STRICTLY AGAINST THE RULES!** Doing so will result in your **IMMEDIATE** disqualification from the current tournament/event as well as the advancement of those affected by your actions.

### 5) Leaving The Event Room

# Mena Gaming Association

## Rules & Information

We **STRONGLY** recommend that people entered in a tournament/event remain in the *MGA* room, & more importantly, don't Leave the building without first informing A *Mena Gaming Association* staff member! Don't leave a competition/game without informing a staff member **AND** your opponent first! if you leave a competition/game without informing them, you will be disqualified from that tournament **AUTOMATICALLY!** If you leave the room, and your game is called, you will be called twice, and searched for once, with 60 seconds to return to the room before being disqualified. You are not allowed to leave the building without direct permission from a *MGA* executive board member.

### 6) "M" Rated Games

Although the majority of games are rated "E" for everyone, some games the *Mena Gaming Association* plays are rated "M" for mature content. The "M" rating is usually for violence or content during the story/career mode. As the *MGA* concentrates on the multi-player functions of the games, no nudity or language will be shown/heard during *MGA* events. No games that have unnecessary nudity or bad language will ever be played at any *MGA* event. If anyone tries or does play a game that has bad content without the permission of a staff member will be reprimanded as the staff sees fit.

### 7) Rough Housing & Throwing Things

The chairs and tables in the association room do **NOT** belong to the *MGA*, therefore, sit in them correctly! All four legs of chairs **MUST** remain on the floor while sitting at **ALL** times! do **NOT** lean back in them, as it bends and breaks the legs. Do **NOT** sit on tables! Do **NOT** rough house, wrestle, or jump on people in the *MGA* room. Also, do **NOT** throw **ANYTHING** in the *MGA* room. Hand things to people, don't throw them! **YOU BREAK IT, YOU BUY IT!**

### 8) Host Location Respect

The room **MUST** remain lit even if partially, for safety reasons. Only *MGA* staff or other establishment personnel should **EVER** touch the light switches, or adjust the heating/air conditioning of the room. If you bring or buy anything to eat or drink, **THROW AWAY YOUR TRASH!** The *Mena Gaming Association* Staff runs a Gaming Association, **NOT** a cleaning crew! Chewed gum and other types of candy should be thrown in the trash or swallowed when you're finished with it! **NOT ON THE FLOOR OR UNDER A TABLE!** If we find food, drinks, or trash left in The *MGA* Room, we will do our best to find out who it belongs to and take appropriate actions. **DON'T RISK IT!** Leave the room how you found it!
